EPIC COMMUNITY

A city with its own progressive spirit at the center of everything Silicon Valley has to offer, Santa Clara is poised for greatness.

Located in the center of Silicon Valley, the city of Santa Clara is perfectly positioned to be the next big Bay Area mecca. Between the Caltrain, Amtrak, VTA bus system, and access to seven main highways and expressways, no other city in the area is so central and so convenient. It's no wonder that global companies like Intel and Citrix, world-class educational institutions such as Santa Clara University, and the 49ers Levi's® Stadium all call the city home.

This smart, motivated mentality is reflected in the city's diverse and educated community, uniquely independent municipal services, and forward-thinking, supportive government.
